Sorry ごめん!
What are you doing!! We're in the middle of a lesson!!
What are you talking about!? You don't really think that do you!?
How domineering... you are o truly frightful man!!
These students aren't your possessions!!
I heard you were keeping all the students to yourself so I came to worn you..
I'm Jaguar, the new recorder teacher!!
You can't hog all the students !!
If you like flutes just say so! Cowards!
You're all as much to blame! Hanging around in groups like that.... are you that scared of being alone!?
Wha...

If you like the recorder so much then go play by yourself! Leave us alone!!
Who says we have to play the recorder!!
Yeah!!
Whaddaya mean!? We're here 'cause we like the guitar you idiot!!
I'm here 'cause I don't want to be alone-!!
YOU ID-IOTS !!!
We'll hear MY "Scorpan X" !!
You think you're fine as long as you remember the sheet music
It REALLY pisses me off but before I go I'll show you a bit of the magnificence of the recorder!
None of you here understand flutes...
He's just lonely!?
ガビーン

Aah... and this isn't the Scorpan X theme at all!!!
Yeah!! It's a different piece!!
What's that guitar-like sound?
What
Yes, it's completely different!!
It brings all the famous scenes of Scorpan X to mind
And yet... somehow...
Despite that
....

Waaaaa

Sorry for intrud-ing!
That's the end ...!
What a guy that Jaguar -san!
W-wow! He captured everyone's hearts in an instant!
I can't find the words but it was really interesting!!
I even saw all the out-takes!
あ あ
Me too!
Incred-ible!! I saw an entire movie just then!!
For the first time in ages Piyohiko felt a little alienated and nervous in his normal environment
They are aren't they-!?
Y Yeah!
!!?
Yeah. I still think they're lame
But it didn't really make me interested in recorders
That was close-!!
Mm !
Yeah... It feels like I've remembered something I'd almost forgotten!
Wasn't he amazing!
Yeah yeah!
He he
Interested in recor-ders myself
I felt a little just a little

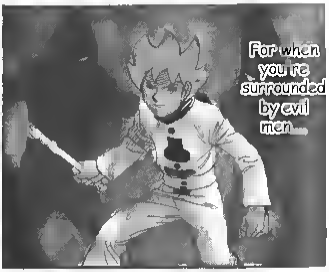
From Today Onwards My Name Is Hiroshi

Lesson 1☆「私の名前は今日からヒロシです」

Since no one would came join the recorder lessons,
ふえ室
I eventually had to take them
First we'll study the basics
These are your posture and grip!

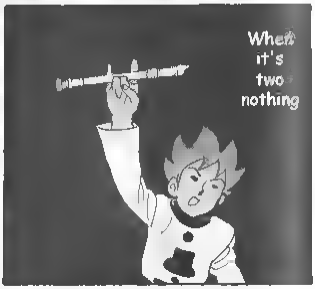
You have to relax your shoulders and straighten your back!
This is well the general basic posture
Ok
All right next is...
The posture for when you really don't feel like it

When you realize your enemys' boss is actually your older brother



For when you're surrounded by evil men...

When you first notice everyone else's toilet paper is different from your house's
Ours



When it's two nothing

がビーン
Flutes
have nothing to do with it!!

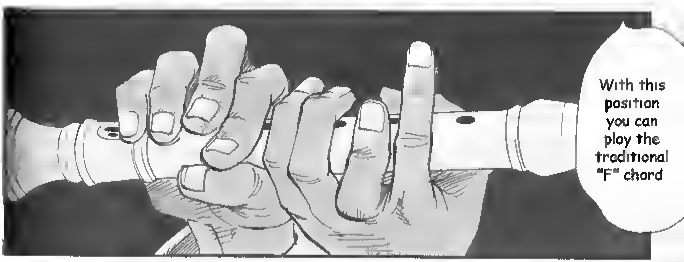
When you overcome your injury handicap to make three consecutive victories

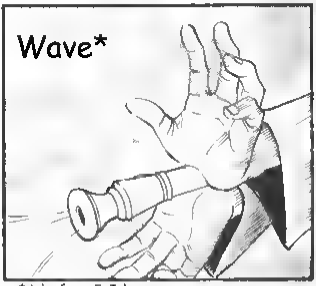
"What is this?"

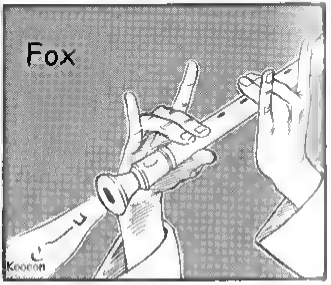
Lesson 2 ☆「これは何ですか？」「何でもいいから飲みなさい早く」

"It doesn't matter, just hurry up and drink."

People think the recorder is a simple instrument that can't make many sounds at once, but...
For Lesson 2, let's try making a sound







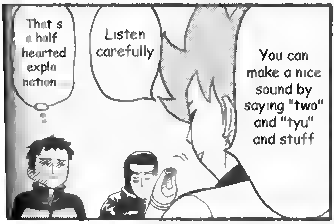
* Like from JoJo!

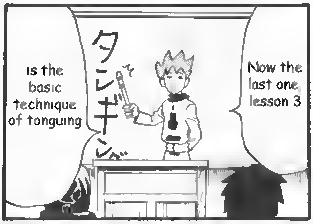
"Which way is the station?" asks the old lady whose bruise on her left hand

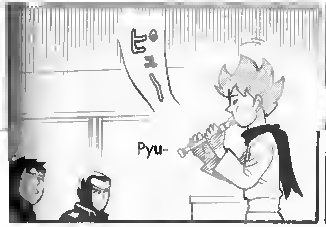
Lesson 3☆

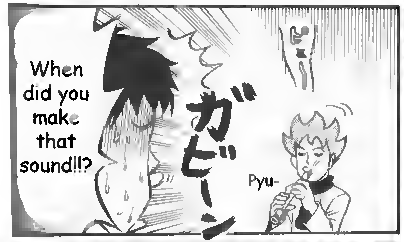
「駅はどっちですか？」と聞いてきたおばあさんの左手にあったあのアザは嫁のイジメによるものと噂されているが5歳の僕にはまだよくわかりません。

is rumored to have been caused by abuse from her daughter-in-law but I don't understand it yet because I'm 5









There are many other techniques than this!
You just don't get it!!
That's the sort of tech-nique it is!
What's the point in playing after you say it... It's totally meaning-less!!

"Marking"
「マーキング」
Mark the places you don't remember
Hole
Here
Hole
"Thumbing"
「サミング」
Open the thumbhole a little bit to get a high sound
"Seasoning"
「シーズニング」
Pour hot water into cup After mixing, remove water and put it on noodles, then mix
"Travelling"
「トラベリング」
When you walk three or more steps holding the ball
"1.5 carat Diamond Fashion Ring"
「1.5カラット ダイヤ ファッション リング」
A woman's shine begins from the fingers
He's created the charm af a casual and elegant lady-!!

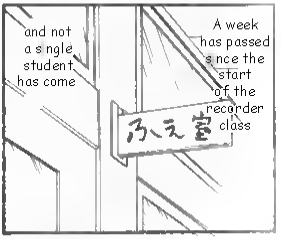
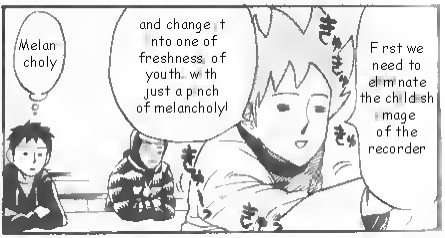
Yesterday I was thinking about why people weren't coming to our class
and came to the conclusion that we have a bad image
きゅぽっ





Melancholy
and change it into one of freshness of youth with just a pinch of melancholy!
First we need to eliminate the childish image of the recorder
きゅぽっ

Wow a board!
Ok I've prepared a white-board so if you think of anything write it on
Wow!
That's gress ....
Hmm... a catch phrase huh!
If we create a fresh and invigorating image people will come to us like insects swarming over tree sap!

Flute 19: Don't Worry It's All A Dream In The End

第19話　心配しないで夢オチだから

Hey, guys, let's all go out
and find something* special together!
Ohh!? That sounds great!
A journey to find some undefinable thing, right!?

* "Something" is amusingly in katakana

Let's start by going to the river
Henappu[?] I'm so sorry I won't do it again
Stop trying to end the story you hair fetishist!
I thought we could find "something" lying on the ground anywhere but I guess I was wrong
"You think it's there but when you actually look for it it can't be found" huh...
You'd think it'd be next to a roll of packing tape...
Hmm... I thought it'd be here for sure
I don't see anything that looks like "it"

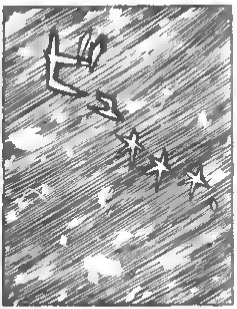
Oh! I've got some -thing!
We might end up catching a "something"
All right, let's fish
This has definitely got to be it!!
I knew it! The true form of our special "something" is packing tape!!
We've got a catch!!
Aah! It's packing tape!!
Hohoho, the "something" isn't packing tape
Huh!?
What? Who's this old man!
Just look at the flow of the story!!
Wha...! What's with that reaction!? This is it, yo!
There he goes again ...
This is obviously how it's supposed to end!! Yaaay! I get first place!!

In our hearts !?
Something we all carry in our hearts... それのておる
ガンダーム The "something" isn't packing tape... but
Oh this poor old guy just said the same thing as me!
He's so gonna get hit...
See
Here it comes
ペシャ Pesha!!
ツー!!
ガムテープじゃねえ!! この"wise-zou"!!
See it wasn't packing tape, wise-zou!!!
* wise = false, zou = common ending to samurai/ninja names
Master Chin [nickname]!
We thank you for the hint

This bird that we came across in our meanderings
Piss
24 years have passed since then-
In the midst of our journeying, we got lost
According to the legends passed down in this land through the ages, was the "Something" bird?
*Note: In this region the word "Something" translates to "Your step just then... was not bad"
At last, we three had discovered the TRUE "Something"
Is the something we were looking for.....?
This
Ha ha ha-
So... the legends were true
It's real! We finally found a real something! Haha hahaha-
Ah, it's true, its body gets hot after it shits!

It's just a bird!
This... isn't a some-thing...
Ute Finally did it...!!
Look, it's our something! Look at this Face like ass...!
W...what's wrong, Piyohiko -dono?
!!!
This isn't right... at least the "something" I wanted wasn't some bird
It was, how should I put it...
More like some abstract, formless thing!
It bugged me for years... I thought the feeling would disappear if I saw a real "something", but...
it's the other way round... it's so clear to me now!
僕の"something"はソングは
My "some-thing" was,
ずっと心の中にあったんだ...って
In my heart along...

.....
Didn't I say that first!!



Ooh !?

Jaguaraan... I'm sorry I could never be honest...
What are you saying!
Just hang on, Pyohiko!!

Ah— my insides are flowing out unnaturally all of a sudden...
I'm dead...
Pi...
PI YO HI KO —!!

I wanted to play so much I felt like my chest could explode!!
To quit playing guitar for the recorder
You know... I really did want to play it!!
Why did I lie about not wanting to play it... I I was such an idiot!!
It's because I was so stubborn that it has to end like this! Not a moment of satisfaction in my life...all I have now is regrets!
Ah, I see... this feeling I had towards recorders was my special "something"...
In other words I was searching for a treasure I'd hidden myself, but pretended not to know
If it was going to end like this...
I should have just played it...!!

PORGY'S PATIENCE BECAME BEAUTIFULLY REMINISCENT OF A REQUIEM OF SAINTS, RIDICULED BY THE MAGIC OF A RED THREAD THAT WEAVED THE MELODY OF AN ALLURING ROSE, OR SOMETHING LIKE THAT...
WHAT DID YOU SAY!? WHAT DID YOU SAY TO PORGY-SAN!?
ガビーン
AND WHY ARE YOU SO HIGH-STRUNG OFF!
OOOOOOOOOI!!!

□ PLOT □

AFTER HIS INVITATION TO WRITE POETRY TOGETHER WAS REJECTED BY THE AMATEUR JAGUAR, THE BIG STAR PORGY'S PATIENCE WAS VERY MUCH LIKE ETERNAL TIME. WEAKENED BY A PRISM OF LIGHT LOCKED IN COMBAT WITH THE FATE OF A BEAUTIFUL ROSE AND PRIMATES ENVELOPED IN THE VIBES GIVEN OFF BY THE CORRELATION BETWEEN THAT AND THE THREAD CONNECTING THE TWO, THE WAY YASUSHI, THE VERY MOMENT HE RIDES ON TOP OF THE STRONGEST HORSE IN THE CAT CLASS, HAS A SLIGHTLY STRAINED SMILE. WHERE YOU CAN'T HELP BUT NOTICE IT TWITCHING...

ピューと吹く！ジャガー

FLUTE 20 : BLOOD-STAINED WITH DESPERATION! POEM SHOWDOWN

SPRING!? OH MAN THIS LOOKS EASY AT FIRST GLANCE BUT IT'LL BE DIFFICULT VERY DIFFICULT YOU SEE!
*Note: This is usually written with the kanji for crazy but here it's written with "unful"
Maddening romance A prism of seven hues
The snow melted Washing away my wounds
Forever unchanging I want you to stay that way
Yes, it's you who are My cherry blossom
Father, mother, thank you
My nakedness, my true love
Your warmth, spring is almost....
--Porgy
Are you scared now? You're scared aren't you!? Be very scared!!
Y----eahhhhhh!!! How's that, fufufu! I can come up with THAT off the top of my head!

WHA...
"SKOPESSOS" I THOUGHT... THAT'S ALL
NOTHING REALLY? IT'S JUST THAT YOUR POEM WAS A BIT

WHA
IT MAY LOOK UNDERSTANDABLE.. BUT IT'S ACTUALLY MEANINGLESS !!
WHAT YOU SAID JUST THEN WASN'T EVEN A POEM! IT WAS JUST AN ENUMERATION OF GENERALLY PLEASING WORDS!

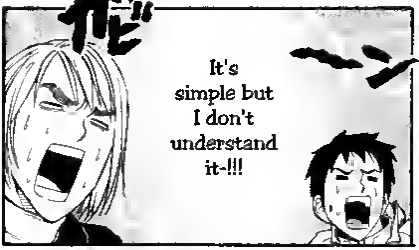
WHAT ARE YOU TALKING ABOUT!? I DON'T UNDERSTAND!!
NO I DON'T!
GET IT?
HAS TO BE ONE OF THOSE THINGS THAT SEEMS HARD BUT IS REALLY SO EASY TO UNDERSTAND!
YOU KNOW A POEM

*Note: made-up boy's name using the kanji for "spring"

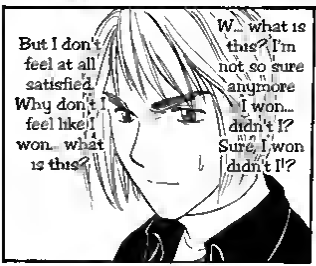
"Haruo"

Back in elementary school
When I went to Haruo-kun's house
Haruo-kun's mom was wearing
this shirt with a red droplet on it
that if you looked reeeeally closely
was a picture of a shrimp
I hated it. I really hated it. Somehow I just hated it.
It was so strangely real. I hated it.
Well, anyway the spring sumo tournament is coming,
so I'll be off to training now

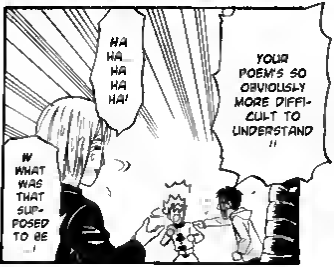
--Jun'ichi



ガビ
It's simple but I don't understand it-!!!

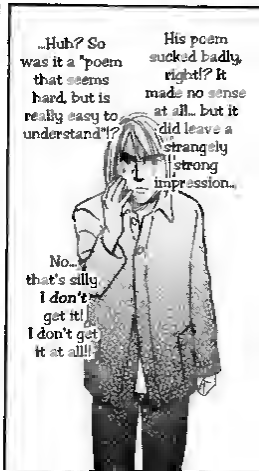


But I don't feel at all satisfied. Why don't I feel like I won... what is this?
W... what is this? I'm not so sure anymore I won... didn't I? Sure, I won didn't I!?



HA HA... HA HA HA!
YOUR POEM'S SO OBVIOUSLY MORE DIFFICULT TO UNDERSTAND !!
W WHAT WAS THAT SUPPOSED TO BE !

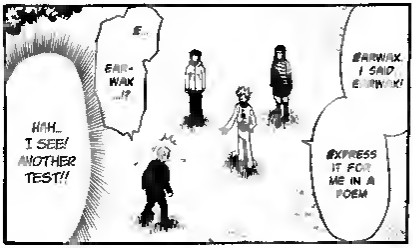
WELL! YOU CAN GO HOME NOW
DOOOOI DON'T SAY WORTHLESSSS SO SO
HOW WAS THAT? NOW YOU CAN SEE WHY YOU LOST AND WHY YOUR POEMS ARE SO WORTHLESS CAN'T YOU?



...Huh? So was it a "poem that seems hard, but is really easy to understand"!?
His poem sucked badly, right!? It made no sense at all... but it did leave a strangely strong impression...
No... that's silly I don't get it! I don't get it at all!!

I'D SAY 70,000 BELTS
YEAH YOU LOST BY AN OVERWHELMING GAP...
WHAT KIND OF RANKING IS THAT !!?
I LOST !!?
WA, WAIT A MINUTE-!! WHAT DO YOU MEAN I LOST!?
ガビ～ン

IF YOU INSIST THAT I'M THE LOSER, YOU BETTER TELL ME EXACTLY WHY!! HUH!? WHY!?
I REFUSE TO ACCEPT THAT!! YOU JUST CAN'T ADMIT YOU LOST, CAN YOU!?



Angel's Light
Down to my body Descended an angel
Sprinkling fragments of light, it vanished
A dreamy night I embraced my love
So hard it could break
The fragments of light remaining in my ear
Were as shattered remnants of diamonds
I first realized
That this was a gift from the angels...
--Porgy

HOW WAS THAT...?
...AMAZING! WAS THAT REALLY A POEM ABOUT EARWAX...!?
THAT WAS SO... IT MADE EARWAX SEEM ALMOST DIVINE!!
HO HO...
THEN HERE'S MY GIFT FROM THE ANGELS...
もさ
もさ
I AM GOING TO PUT THIS IN YOUR EAR
WHA WHAT ARE YOU TALKING ABOUT HEY!!

...HEY!! WHY DO YOU DODGE LIKE THAT !?
THEY'RE EMPTY, EMPTY PIECES OF TRASH!"
DO YOU UNDER-STAND NOW...?
YOUR POEMS ARE SO FULL OF LIES, THEY HAVE NOTHING TO SAY....
Hargh !!
*Note: He just used some non-sense words to describe this "Kerakkara no penapenan." Just the sound of this is hilarious in Japanese
... so Piyohiko thought
But this day marked the beginning of what would be the great warping of Porgy's life...
JAGUAR'S POEM ALSO SEEMED A LOT LIKE LIES TO ME------!!
SOMEONE LIKE YOU DOESN'T DESERVE MY LES-SONS..!
.....
